### **Writing to Increase Vocabulary One Day Training**

**Synopsis:** This one day session provides participants with the knowledge of how to help students increase their vocabulary acquisition and use through writing, in order to meet the writing expectations set forth in the Common Core State Standards. Participants will actually write their own pieces in order to fully understand the methodology to use in their own classrooms.

**Target Audience:** School staffs, including teachers, para-professionals, coaches, and administrators.

#### **Goals:**

- Develop understanding of how students can use writing to acquire and use new/effective vocabulary.
- Create confidence and comfort in ability to teach students these strategies.
- Help teachers address the CCSS in Writing.

#### **Outcomes:**

- Understand how to increase student vocabulary acquisition and use through writing.
- Understand how to use cultural writing as mentor text to create student engagement in this process.
- Write original pieces that can be used as mentor text in the classroom.
- Increase teacher ability to provide quality writing instruction in the classroom.
