

## **Common Core Writing Academy**

*Facilitating excellence in writing instruction!*

### **SF-182 Modeling Writing in the Classroom One Day Training**

**Synopsis:** This one day, on-site session provides participants with the hands-on practice of seeing Common Core Writing in their own classroom. Participants will co-plan a CCSS writing lesson with the consultant and either observe or co-teach the lesson together, with their own students. They will receive immediate feedback on delivery and debrief about continued CCSS practices for writing success.

**Target Audience:** K-12 writing teachers

#### **Goals:**

- Co-plan a CCSS aligned writing lesson
- Observe or co-teach the writing lesson with your own students
- Get immediate feedback and debrief for continued CCSS writing success

#### **Outcomes:**

- Understand the thinking process behind planning CCSS aligned writing lessons.
- Practice teaching with these methods to ensure immediate implementation.
- Increase teacher ability to provide quality writing instruction in the classroom.
