*Facilitating excellence in writing instruction!*

### **SF-182 Writing Across Content Areas One-Day Training**

**Synopsis:** This one day session provides participants with the knowledge of how to teach writing across content areas in order to meet the writing expectations set forth in the Common Core State Standards. Participants will actually write their own pieces in order to fully understand the methodology to use in their own classrooms.

**Target Audience:** School staffs, including teachers, para-professionals, coaches, and administrators.

#### **Goals:**

- Develop understanding of what writing across content areas means for deepening learning in the classroom.
- Create confidence and skill in ability to teach writing to extend learning in a variety of content areas.
- Help teachers address the CCSS in Writing in a variety of learning contexts.

#### **Outcomes:**

- Understand how to integrate writing in all content areas in the classroom.
- Understand how to use cultural writing as mentor text to create student engagement.
- Practice writing for the four purposes in content learning.
- Increase teacher ability to provide quality writing instruction in all content areas in the classroom.
